

LAGOS

SAMPLE SALE

INSIDER TIPS

- Bring a good book or a good friend – we recommend both! At LAGOS we make every effort to keep your wait time to a minimum. However, given the standard occupancy and seating availability in the room, there could be anywhere from immediate entry to a two hour wait. The receptionist will be able to give you an estimated wait time upon check-in.
- Arrive within the last two hours of the day. Typically these hours are the least crowded and have the shortest wait time for entry into the sample sale.
- We love to hear from you! Please email us at contact@lagos.com with any comments you have for us about the sample sale. Any feedback, input or customer experiences you would like to share with us would be great.
